

TOPOGRAPHIES OF MEMORY II: FROM EASTERN EUROPE TO TURKEY-  
PROTECTING CULTURAL HERITAGE  
February 22, 2016

Hrant Dink Foundation, Anarad Hıçutyun Building

The Hrant Dink Foundation (HDF) is organizing, as a part of its "Revealing and Advocating the Multi-Cultural Heritage of Anatolia" project, a new panel with the participation of Cultural Heritage Without Borders (CHwB) representatives in Eastern Europe and of the Association for the Protection of Cultural Heritage (KMKD). This panel will provide a platform for the discussion of the importance of the protection, preservation, and revitalization of cultural heritage, as well as its urgency for today and the future.

The panel will be held in English and Turkish. There will be simultaneous translation from both languages.
